MEMORANDUM FOR THE CHAIRMAN, DCI SECURITY COMMITTEE (SECOM)

SUBJECT: Request for DIA Assistance

Reference: SECOM memorandum D-302, 13 December 1985, subject: SECOM Seminar-VII.

1. DIA was requested by reference to list the Department of Justice (DOJ) in the Compartmented Address Book (CAB) as an authorized recipient of SCI messages.

2. DOJ is listed on page 137 of the CAB with the notation that all message traffic for DOJ must be sent to CIA with internal passing instructions to DOJ. When DOJ obtains its own SCI message handling capability, DOJ can request a change to the CAB.

3. Procedures for requesting a change to the CAB were provided to DOJ and DIA previously provided information to Mr. Norris, DOJ, on SCI message handling systems and procedures.
